8	<p>Dr. Suzanne Johnson (Assistant Superintendent of Teaching and Learning), Jackie Johnson (Coordinator of Secondary Literacy and Libraries), and Celia Banks (Coordinator of Elementary Literacy and Libraries) gave a presentation on grading and report cards.</p> <p>Grades 1-6 have been using Standards Based Grading (SBG) for about 10 years. Secondary level is transitioning to SBG according to the following schedule: math—2016-2017, literacy—2017-2018, science—2018-2019, social studies—2019-2020. The challenge is in converting the standards to a single letter grade. Parents and students are encouraged to use Infinite Campus to track progress. Tableau (https://district.u-46.org/TableauReset/) is an extra tool that can be used to estimate how the SBG information might translate to a letter grade. Tonight's presentation will be available on the district website. http://bit.ly/2zpCDsU</p>
